

**Bowra, Tim** (notes mainly from Strategem Environmental Consultants website)

Tim joined Strategem in April 2011 after a successful career with the Department of Environment and Conservation (formerly Department of Conservation and Land Management). Tim has extensive experience in Government processes, senior management, project administration, environmental policy preparation and implementation, environmental approvals and land management.

Along with his extensive on-ground operational experience in areas such as rehabilitation, fire control, biodiversity conservation, dryland salinity, urban bush management and social planning, Tim has held senior management positions including District Manager (Wheatbelt) until 1998; Manager of Perth's Regional Parks in 1998; Regional Parks Coordinator, Level 7, Fremantle in Parks, Recreation and Tourism Division in 1999. Principal Policy Officer with the Minister for Environment; and Principal Policy Officer with DEC's Director General. Transferred as Forest Ranger to Wanneroo in 1989.
