

**Collins, Pat** (from CALM News 1999)

Pat joined the Forests Department as a laboratory assistant in Como. After a short time, she transferred as a technical assistant to Manjimup Working Plans Office. She returned to Como in 1973 and in 2000 was a Senior Forester in Forest Management Branch, the longest serving female forester (33 years). Pat has been responsible for consolidation of forest resource data. She provides information to regional and branch planners, directors and ministers.
