

Winfield, Harry

Commenced with Forests Department staff on 25.6.1954. Assistant Forester at Tone River, east of Manjimup in 1960s-70s. Moved to Manjimup in late 1970s. Transferred to Walpole in 1980s. Retired as Forester at Walpole in 1988, after 41 years service. The rare native orchid *Caladenia Winfieldii* (Hopper & A P Brown) is named after him. He discovered it in 1987 growing near to Walpole and brought it to the attention of CALM botanists, who named it.
