

Worrell, Neil (based on Linked In)

Educated Christ Church Grammar School, Claremont, WA

Started Forestry in 1981 straight out of school into a Cadetship with the Forest Department. Working throughout the South West as a forester in softwood and hardwood silviculture and then the South Coast Region. Promoted to field Manager (Pines) CALM South Coast Sharefarms at Albany in 1997. Have worked in Plantation Establishment, Contract Tendering, Procurement and Contract Management. Had senior role in Team Management, Operations Management and Fire Control. Undertook Contract Management, Budget & Financial Management, Environmental Management, Community Management, Public liaison and Risk Management for FPC South Coast Plantation Establishment program and DEC Fire Control program.

Regional / District Fire Duty Officer, January 1990 – April 2012 (22 years 4 months) South Coast Region. Applied appropriate Emergency Response to incidents of Fire or Rescue for instances effecting DEC estate or resources as required.

Senior Forester Forest Products Commission, WA. 2000 – 2009 Albany, South Coast Region Contract/ contractor management, Wildfire control, Emergency Response, Plantation Establishment and Maintenance, Team Management, Environmental Planning

Project Officer Western Australian Department of Environment and Conservation, November 2009 – September 2012. FRNP Coastal Walk Trail Planning.

Due to state government changes to funding my position was made redundant in 2010. I accepted a secondment to DEC as a Senior Project Officer for the construction of a 70 km walk trail in the Fitzgerald River National Park and continued as a Regional Duty Officer in Fire Control.

I chose to take my redundancy and retrain in Occupational Health and Safety and Training and Assessment, to seek a new career in the Occupational Health and Safety sector.

A/HSEQ Manager Albany Plantation Export Company, Albany Plantation Forestry Company 2013.
